TREASURE OAK NURSERY

IRIS AND PEONIES

Mays Landing, New Jersey

A BURIED TREASURE THAT BLOOMS EVERY YEAR

THE Irises and Peonies listed here have been grown under our own expert care at the Treasure Oak Nurseries. When Captain Kidd (as the story runs) buried his chests of gold at the foot of the colossal oak tree that still stands today, he little dreamed of the wealth of many-colored flowers that the sandy loam could bring forth. To a good native soil we have added all the cultural care possible, and as a result we are offering again this year a stock of the finest Irises and Peonies produced by the American and European hybridizers.

In addition to the latest and finest introductions, of special interest to the fancier, we have an unusually good stock of the less expensive varieties. It is only fair to state that some of the finest specimens come in this class, price being to a large extent merely a sign of rarity.

GARDEN SERVICE

For those who are not familiar with many of the new specimens, we shall be glad to prepare plans of an Iris and Peony garden, suggesting varieties and color combinations to fill a given space, and yet keep the cost within a certain limit. Let us give you our suggestions.

ORDER NOW

Orders are filled as received. Our stocks of some of the best varieties may be exhausted later.

All orders receive expert attention. They are forwarded to you well packed and postpaid.

We must request cash with order from all persons unknown to us.

We will begin shipping July 1.

This list cancels all previous quotations.

IRIS

The number preceding the variety name represents the relative merit of each variety on the basis of 100 or 10 being perfection, as voted by the American Iris and American Peony Societies.
